

Coming to the GSDCW a new class for GSDCW members November 15th and 29th (pilot classes)

Starting Wednesday (and Wednesdays to follow --- noted in the Tales), either a Practical Real Life Obedience class or.....Home Doggy Games as listed below.

Larry Niles (professional dog trainer and behavioralist) is your instructor with Paulette (DOT) being his assistance. In the future, other regular instructors will assist Larry. These classes are fun and training at the same time. Requests for content of future classes will be taken into considered. This is a pilot training class and your input will be appreciated for future classes.

The requirements are being a member, 8-week obedience certificate or passing the S.T.A.R. evaluation from the puppy class.

Practical Real Life Obedience:

- Leash Manners
- Recall
- Counter Surfing
- Door Greetings
- Jumping
- Barking
- Proper Kennel use

Home Doggy Games:

- Tug
- Hide and Seek (with Human)
- Red light/Green Light (whip whip it toy)
- Agility lure game (with whip it toy)
- Kennel up game
- Shell game
- Find it game

These classes will also be at random or content upon request from members. To repeat, this is a pilot training program outside of our structured AKC obedience classes. Please let the instructors know if this is something you enjoy. Even doing tricks or correcting counter surfacing is an obedience training experience.

Please join us and try something new.

Larry Niles, CPDT, Professional Dog Trainer & Behavioralist
