GSDCW OBEDIENCE ACHIEVEMENT TRIAL

You have been training all winter, now is the time to give your dog, *and the team*, a chance to show their training progress. The achievement trial simulates the experience of trialing your dog in the AKC obedience ring without pressure. It's a great training opportunity regardless of the desire you may have to show your dog and is a fun opportunity. Certificates of Achievement will be provided to all qualifying dogs. Classes offered in the trial are as follows:

UTILITY - Starting at 9:00 a.m.

OPEN – To follow utility

NOVICE -- To follow open

BEGINNER NOVICE – To follow novice

If you would like to participate please sign up. The sign up sheet will be posted on the white activity board. Your instructor can provide more information if you have questions.

The trial will be **OUTDOORS.....dress accordingly**. We also will need a few volunteers to be ring stewards (another great experience learning about the sport of dog obedience). If you are interested in being a steward, please contact:
