## **Rainbow Bridge**

*has crossed the*

*There is a bridge connecting Heaven and Earth. It's called Rainbow Bridge because of its many colors. Just this side of the Rainbow Bridge there is a land of hills, meadows and valleys with lush green grass. And when a beloved German Shepherd dies, she goes to this place where there is food and water and warm spring weather. The old and frail German Shepherds are young again. Those who are maimed are made whole again. They play all day with each other. There is only one thing missing. They are not with their special family who loved them on earth. So each day they run and play until the day comes when one stops playing and looks up. Their nose twitches! Their ears go up! Their eyes are staring! And suddenly one German Shepherd runs from the group. You have been seen and when you and your German Shepherd meet, you take her in your arms and embrace. Your face is kissed again and again and you look once more into the eyes of your trusting German Shepherd. Then you cross the Rainbow Bridge together, never again to be separated.*

**August 8th, the World of Dogs at the Wisconsin State Fair:**

One thing for certain must be said about the GSDCW; We are an active and competitive club! Throughout the day, we were either competing or meeting/greeting fair goers interacting with our dogs. We did very well this year in competition, winning 1<sup>st</sup> place Team Obedience with a score of 769 out of a possible 800. Our club breed representative Dottie Renier with Lucy, not only represented the club for the breed profile, but she also put on a demonstration of some Schuston training.

This year our booth theme “Thank Heaven for German Shepherds”, as we highlighted the many services a German Shepherd performs; Seeing Eye, Military, Police, Therapy, Companion. We had our Handler/Dog team of Nancy Bertsch with Macy and Marla Ziino with Molly dressed as angels along with the dogs.

If you have been to the Fair before to see our booth, you know we always try to do things right in a very special way to promote the breed and our club. I would like to thank Marla Ziino and Nancy Bertsch for helping me set up the booth this year.

**\*\*\*Volunteers Needed\*\*\*:** For the past 24 years, I have been planning/designing and setting up the State Fair booth. I’m retiring at the end of the year and during the summer I’ll be living in Neshkoro (about 2 ½ hrs from the fair). As such, arriving at 7:00 a.m. to set the booth up will be difficult; **therefore someone is needed to pick up the mantle to create/set-up the State Fair booth.** I can provide moral support for next year and I plan to come to the fair, but I can no longer assist planning or set-up. I have thoroughly enjoyed these past 24 years, but it is time to past the torch.

**Team Obedience: Congratulations on 1<sup>st</sup> Place!** Team competition is extremely tough with typically only a few points separating each team and it takes a lot of time and effort training for Team Obedience. All team members deserve a lot of credit.

**Obedience Team:                      Congratulations on 1<sup>st</sup> Place Team Obedience**

- Dottie Renier,    Lucy
- Rose Barke,     Bella
- Linda Cekosh,   Zeke
- Donna Rickert,   Koda
- Paulette Gallatin Tava (alternate)

**Booth Participants, Teams & Moral Support Members:** Thank you club members for coming out and spending time manning the booth, hopefully I didn’t miss anyone.

I would also like to thank a number of people who assisted in taking the booth down after a long day. Nancy and Mel Bertsch, Jolene and Jack Zimdars, Marla Ziino. I apologize if I missed anyone or misspelled names. We had such a great turnout; I really would like to thank everyone.
