## Run Naked Agility UPDATE

Another agility trial is history. Despite a little rain on Saturday, we had a very nice weekend weather wise. Three exhibitors went home with a smile, having earned their MACH at our trial.

I want to extend a genuine thanks to all of you that pitched in to work the trial. From Friday set-up to Sunday clean-up the trial would not be successful without your help. I'm not going to attempt to remember all of your names. You know who you are and your help was greatly appreciated.

**Mike**

## **Temperament Test A Success**

Beautiful day and Wonderful dogs. Thirteen entered, with ten passing. Again an entry from Illinois.

Thank you to all the hard working helpers.

Carol Lumley, Diane S., Lyle Lubinow, Mary Pluta, Karen Grikstas, Phyllis Griffen, Tim Brown, Gary & Joyce Knoke and Terri Schroeder, you were all delightful!

In Loving Memory of our first GSD. Shayna taught us so much. She helped raise 3 other pups, Lexi, Zeke and Rocco.

We will always remember those beautiful white ears and her almond shaped brown eyes. There is a real emptiness since you have been gone my girl. Some day we will be together again when we cross over the Rainbow Bridge. Until then we will have a enormous hole in our hearts!

Heidelberg Park located behind the old Bavarian Inn Restaurant for the German Society annual Oktoberfest festivities. This was the 6th year we have put on this demonstration and a second for a Saturday evening crowd.

We spent a lot of time prior to the demonstration and afterward socializing our dogs with the children and adults attending the festival as we walked around the grounds. We had 2 dogs dressed in costume that attracted a lot of attention, Peter dressed in Alpine attire and Molly dressed in an Alpine dress with flowered hat. New member Desiree Davis, her friend Vicki along with seasoned pros Sharon, Sandy and their 4-legged friends rounded out the group.

This was an excellent demonstration of the temperament and stability of all our dogs which performed well during the demo and afterward as both children and adults were able to approach and meet the dogs. We had lots of positive feedback and all the dogs did an excellent job promoting the breed.

For those of you who have never attended one of our programs, we provide an overview of how we train our “friends”, at the same time trying to provide the audience with an entertaining program. Our program consists of general healing as a group, followed by jumping exercises from open dogs and utility work from our UD dogs. We follow our training program with an agility demonstration.

Our four-legged friends as usual did a great job at demonstrating their obedience and agility prowess. Overall everyone seemed to have a great time, along with providing some good community service work before and after the demonstrations.

Thanks again to everyone who participated;
