Chicken Liver Brownies – Dog Treats

1 pound raw chicken liver
1 cup whole wheat flour
½ cup flaxseed meal
1 tsp garlic salt
½ cup water
2 eggs (optional)

Place liver, egg & water in blender and blend chicken liver so it becomes liquified.

Hand stir all other ingredients with the blended liver.

Line 9x13 jelly roll pan with parchment paper. Spread mixture onto the paper. Tap pan on counter to remove any air bubbles. Bake at 350 degrees for 30 minutes. They will be soft like brownies. After brownies have cooled, use a pizza cutter to cut into squares. Keep refrigerated or freeze for longer freshness.

These are great for training, cut into smaller squares for easy treating. Also great for giving your dog pills.
