Report on our Demo At German Christmas Market in Okauchee

The Okauchee Lion's Park was the site of a German Christmas Market and holiday festival. "Christmas in Okauchee" took place November 25 through 29.

On Saturday November 28th the German Shepherd Dog Club of Wisconsin put on a demonstration of our wonderful breed.

We were then able to walk our dogs among the many imported authentic chalets like those used in the Christmas Markets across Europe. There were vendors selling everything from ornaments to popcorn.

We had a great turnout for our demo. Special thanks to everyone listed below. YOU are what makes this club so special. YOU brought your well behaved companions to this event to show the general public what it is to own a German Shepherd Dog. We brought chairs and never sat down. Such a great crowd of people asking questions and telling us their own "dog stories".

One of the people running the event commented on how well received our presence was. People just love to pet a dog. The bonus was, they were also were treated to the site of what good training does for a dog, and a human.

Thanks again to all who participated in this event.

To those of you who could not make it, we hope to see you at the next demo.

FROM THE OFFICE OF THE DIRECTOR OF TRAINING

We once again held our quarterly CGC testing on Monday evening the 26th of October. The schedule of participants was maxed out at ten. Of the brave dog trainers that made an attempt to earn their first AKC title, five succeeded in doing just that. Congratulations!

Earning their CGC with their K9 partner were Chuck Kubiak & Capt. America, Melanie Kusch & Cole, Faith Laabs & Beau, Ginger Ryback & Sascha, and Meganne Wheeler with Rhaenyra. Five additional club members came real close and with a little more training will be able to smooth out some minor problems.

Probably the two most evident issues with the German Shepherd is that not all of them like their paws handled and they are not fond of their master and friend leaving them for the supervised separation exercise. After all the GSD is the dog that bonds.

Our next CGC testing will be on Monday evening the 25th of January at 6:30 p.m. A sign-up sheet is already posted on the white board. In October some participants panicked when the club gates were not open by 6p.m. Starting at 6:30 gives the evaluator a little time to get set up.

I have pretty much the same nucleus of assistants each time we hold testing, and I can't thank you all enough for your help.

Happy training to you all. -MIKE-
